

# 2015 Schedule

from  
**Bach Flower**  
International  
Education  
Program

## Level I

- A solid foundation in the BACH REMEDY SYSTEM.
- Learn to use the essence personally, with friends & family, or begin integrating them into using with existing clients as a healing arts practitioner.

## Level II

- Explore more deeply how the Bach Flowers relate to life goals & personality traits.
- Delve into the subtle distinctions that can be made between closely related essences.
- The Master Level class prepares you for Practitioner Training in addition to a lifelong relationship with Nature.

## Bach Flower for Pets & Their People (a Level I Class)

- A solid foundation in the BACH REMEDY SYSTEM.
- The core principles of working both with animals and people.
- A special focus on animal behavior and remedy indications.
